

Each year the Barrington Broncos Wrestling Club hosts a wrestling tournament during the month of February. The funds raised during this event eliminate the need for our wrestlers to engage in any fundraising activities.

However, without the volunteer help of our BBWC families the tournament cannot be a success. Therefore, it is important that we receive a commitment from each family to assist in what has become a great BBWC tradition.

Please show your commitment to help your club this year by reading and signing the volunteer pledge below.

BBWC Volunteer Pledge

By signing this pledge I am stating that as a parent/guardian of a BBWC wrestler, my family and I will be responsible for volunteering a minimum of 6 hours toward the BBWC Tournament held in February. My signature also signifies that we understand that by withholding our volunteer efforts we put an unnecessary burden on the remaining club families.
